

# Byron Presbyterian Church

## Our Vision: *"Know Christ, Live Christ, Share Christ"*

### Preamble:

The people of our church have a vision! We have a vision that begins with the faithfulness of those who have preceded us. We have a vision that emerges from our desire to be inspired and effective followers of Jesus Christ. We have a vision that grows in our hearts as we commit to serve him together.

### Vision Statement

The Byron Presbyterian Church glorifies God by Knowing Christ, Living Christ, and Sharing Christ.

### What Does Our Vision Look Like?

- ❖ **We Know Christ** when we worship God through Scripture, prayer, songs, and preaching; when we live as Jesus' disciples within a community of believers; and when we experience the Holy Spirit leading us into the world with purpose and conviction. Our vision calls for our church to nurture, equip and train the people of God for faithful service in the church and community.
- ❖ **We Live Christ** when we model the truth and integrity of the Gospel as we build trust and work with one another and our neighbors; when church leaders feel strong spiritual encouragement and support for their ministry; and when we demonstrate our calling in ways that capture the attention of others. Our vision calls us to demonstrate the wonder and joy of Christian faith.
- ❖ **We Share Christ** when we invite our neighbors to worship God; when we reach out in our prayers with Jesus' healing power; and when we join together for enthusiastic mission in the community and beyond as empowered by the Holy Spirit. Our vision calls us to be a cornerstone for peace, an epicenter of expanding hope, and a place where resurrection can be experienced every single day!
